

November 2021

Dear Parents,

We are thrilled to announce that the spring musical will be returning to HCA in March 2022! This year, we will be presenting *A Disney Spectacular*, a musical revue of some favorite Disney classics! Ms. Abby Shunskis Dietzler will be back to direct and choreograph this year's production.

To help you and your child decide if *A Disney Spectacular* is right for him/her, please review the information below.

- All Fourth through Eighth Graders are invited to audition.
- We will not be having a Children's Chorus (students in grades 1-3) this year.
- Anyone who wants to be in the show must audition.
- Everyone who auditions is part of the cast. Even if you are not called back, that does not mean you did not get a part.
- The audition schedule and rehearsal days are listed below.
- We will have a stage crew and technical assistants for this show. Students who are interested should contact Mrs. Barrera. There are a limited amount of spaces available.
- The play fee is \$185.00 and includes a video of the performance (one per family). The discounted fee for each additional child is \$140.00.
- Parents are asked to volunteer to serve on a play committee to assist with costumes, sets, props, ad book, tickets, dinners, and refreshments. Information about committees will follow in the Show Handbook. We rely on our parent volunteers to help make the spring musical come to life for the students!
- Both students and parents should thoroughly read the Play Handbook for important details regarding participation in this production.
- There will only be one registration. You can visit [HolyChildAcademy.com/springmusical](https://www.holychildacademy.com/springmusical) to register and read the handbook. Registration **must be completed** in order for your child to audition. The audition material will be sent via email in December.

On the next page you will find the important dates and a general rehearsal schedule outline. Please be sure that there are no conflicts with your family calendar for the show dates and times, as well as production week.
