

March 13, 2020

Dear HCA Families,

Thank you for your extraordinary cooperation and support during these difficult days. As I hope you know by now, our faculty and staff have worked diligently to be able to provide guidance and instruction to your students, and to keep our administrative and business functions operable while we're unable to be on our school grounds. In addition to the information you will be receiving from individual teachers, you will find other resources on the school's website [here](#). Please monitor this site as well as our social media presence for continued updates and information.

I know that the weeks ahead will present varied and new challenges for your families. Please feel free to reach out directly to me if there is any way we can be helpful. One of the things we all treasure about Holy Child Academy is our strong commitment to community, so let us be here for each other as we move through this experience together.

Another thing that binds us together is our faith in a God who loves and cares for us, his children. Our foundress and inspiration, Cornelia Connelly, reminds us to "Pray and have great confidence in God who will take care of His own work and guide and govern it by His Holy Spirit." I will be holding you and your children in thought and prayer during this time, asking for God's gifts of peace, health, and blessings on our families, our nation, and our world.

Sincerely,

Margaret Fox-Tully
Head of School
